

WHO'S WHO IN OREGON TRACK AND FIELD 2008 ORDER FORM

ONCE AGAIN, WE ARE READY FOR ORDERS! Barring unforeseen circumstances, Who's Who in Oregon Track and Field 2008 will be bound February 23rd. We are ready to process orders! This year's book will cost the same as last year, \$20.00 per book (shipping and handling included). Please send **PERSONAL CHECKS OR MONEY ORDERS ONLY**. We are not set up to handle credit cards and don't want to deal with cash. Make checks out to Who's Who. To avoid any conflicts of non payment, we only send out materials **AFTER** payment has been received.

PLEASE SHARE the order form with athletes, parents, your school library, and track aficionados by making copies. Many of these groups are unaware that they can purchase the book also.

With the expansion to the 6 classification system, this year's issue is longer at about 415 pages. Dave has put together top ten list averages for the throws this year. Unfortunately, we were not able to procure the college marks prior to deadlines but we hope to return that for next year. We also know that with the expansion to 6 classes and our new lists reflecting those classes, errors and questions are bound to creep in. We strive for accuracy. Many of you kindly pointed out errors, discrepancies, or blunders from previous issues. We thank you and ask you to keep it up!! Contact us with corrections and errors as you see them. The other major change is that the book is now aligned with the school year, not the calendar year. This is our conversion year so you will find a redo of the XC season of the fall of 2006 along with the track stats from the spring of 2007. The most recent XC season will appear in the WW 2009, which we should have out earlier (hopefully the fall or very early winter) since we do not have to wait for XC results..

BACK ISSUES AVAILABLE: Back issues of WHO'S WHO are available for \$8.00 per issue. This includes postage. Contact us about which issues are still available. We are hoping to get our "out of stock" issues printed up this summer.

COACHES: If you use <athletic.net>, please update your PR lists **through state** for track **BEFORE THE SUMMER BREAK!** We will run lists in mid to late June and David Bowdoin has generated files for us at that time. We **MUST** start our work in the summer months. If you keep your own version of PR's, you can email your lists to <billy.snow@sweethome.k12.or.us> or send us a hard copy via mail. **Please contact us with summer marks so we can include those also.** We try to keep up with those but we often miss some good marks and times. We still missed the results from one track league. Please help us offer a complete compilation of stats by supplying info and results. If you can help out in this area, please let us know. It is only with your help and support that this book is possible.

Thanks for all you do for kids and the sports of cross country and track and field. Have a great season and hopefully we'll cross paths along the way! Hope you enjoy the book and the changes.

Dave and Billy
